

FBOG Resolution Regarding ALCs (4/22/04)

“Under the student achievement measure, the Board of Governors recommends that all universities, through their Boards of Trustees, adopt Academic Learning Compacts;

That the Compacts constitute a clear identification, by academic program, of what students, engaging in a teaching-learning partnership with their universities, will have learned in terms of content knowledge, and communication and critical thinking skills by the time they graduate; and that these Compacts will be clearly articulated by the universities to students at the beginning of their academic careers and when they begin their degree programs; and that, on or before graduation, the universities will certify, through any process they choose, that the criteria of the Compacts have been met by individual students;

That the Board of Governors will work with universities to ensure implementation of meaningful Academic Learning Compacts that maximize flexibility at the university level.”
